

Wholesale clear four holes ice cream cone holder

DUKE® 欧克

Thickness : 4mm

Display your tasty treats in the most delectable way possible using these ice cream cone holders! Using these stands in your creamery, parlor, or ice cream shop allows you to showcase your menu options in a way that simple text on a menu board cannot. All those who come into your store with eyes that are bigger than their stomachs won't be able to resist going for a waffle cone when it's displayed so prominently on your attractive, acrylic ice cream cone holder! I know I couldn't!

Place the stands on top of your cooler or counter so patrons will know of their choices before they order. You could also simply use them for storing cones prepare orders. Because these cone holders are made of clear acrylic, they're incredibly easy to clean with just a damp cloth.

■FAQ

Q1:Are you a factory or trading company?

We are factory, and we can guarantee our price is first-hand, High quality and competitive price.

Q2. When can I get the price?

Usually we quote within 24 hours after we get your inquiry.

Q3. Can I get samples? How long is the sample lead time?

Yes, certainly. We will provide the existing samples for you, Sample fee is refundable when the bulk order meets our MOQ . Normally 5-10 days for our stocked products.7-15 days for the custom products

Q4. What about the lead time for mass production?

Honestly, it depends on the order quantity and the season you place the order. Always 15-20 days based on general order .

Q5. How do you guarantee the quality?

Before the production, we would make pre-production to confirm with customers. During the production, we have professional QC to inspect the products while manufacturing. And we also warmly welcome customer's QC to inspect the goods before shipment.

Try our best to meet the customers' needs and create the value to customers via supply high quality products and best services. If you are looking for the manufacturer to fulfill your business plan, please don't hesitate to contact us and make bright futures together.
